Experience

Containermont s.r.o

Gbelany - Slovakia

15.7.2024 - 1.1.2025

It Specialist

Most of my work revolved around helping administrative workers with software and Win 7/10 problems using remote access software Anydesk and traveling to their locations to help with maintaining, repairing, or installing new hardware.

Kia Slovakia s.r.o.

Teplička nad Váhom - Slovakia

11.9.2023 - 30.6.2024

HelpDesk - Intern

I was an intern working as a HelpDesk employee using a ticket system and remote access to help employees with their problems, questions, and requests. I was responsible for adding new IP addresses and setting up/building new computers for employees.
